Dear Parents and Guardians:

The Code of Student Conduct (COSC) is aligned to recent local, state, and federal mandates with an emphasis on promoting a safe learning environment to ensure academic success. The COSC sets the standards of conduct expected of students in a purposeful safe learning environment in which the principles of care, courtesy and respect for the rights of others is valued. It also addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures.

It is important that parents/guardians, along with their child take the time to review the COSC. There have been some substantive revisions that both parents/guardians and students need to review. Furthermore, it should also be noted that behaviors committed on or off the school campus may be violations of the COSC and may also be violations of Florida law. These violations may result in disciplinary actions imposed by local law enforcement authorities, in addition to those of the school/district.

The COSC can be accessed by visiting
<http://ehandbooks.dadeschools.net/policies/90/index.htm>.

If you do not have access to the internet, you may go to your child's school and request to review the Code of Student Conduct manual. Please take the time to review and discuss the importance of the Code of Student Conduct with your child or children. After reviewing the Code of Student Conduct, you and your child/children must sign, date, and return the accompanied **Parent Receipt and Acknowledgement Form to your child's school within 5 school days.**

I consider each and every parent/guardian a valuable partner of Miami-Dade County Public Schools and recognize that you share the same goal as all of our schools, which is to create a safe learning environment that promotes academic success. For this reason, we hope that you understand the importance of the District's expectations for student behavior, and the corrective strategies should misconduct occur.

Sincerely,

Mr. Julio A. Fong Principal

Estimados padres de familia y tutores:

El Código de Conducta del Estudiante (Code of Student Conduct, COSC), está alineado a los mandatos recientes de nivel local, estatal y federal, con énfasis en la promoción de un ambiente de aprendizaje seguro para asegurar el éxito académico. El COSC establece los estándares de conducta que se espera de los estudiantes en un ambiente seguro y con propósito, en el cual se valoran los principios del cuidado, la cortesía y el respeto por los derechos de los demás. También aborda el papel que juegan los padres de familia / tutores, estudiantes y la escuela, pero también se enfoca en los valores básicos y el comportamiento modelo del estudiante, los derechos y responsabilidades de los estudiantes, con respecto al comportamiento y a los procedimientos disciplinarios.

Es importante que los padres de familia / tutores, junto con sus hijos, dediquen un tiempo para revisar el COSC. Ha habido revisiones sustantivas que ambos, los padres de familia / tutores y estudiantes deben revisar. Además, también se debe notar que los comportamientos en o fuera del plantel escolar pueden violar el COSC y pueden además violar la ley de la Florida. Dichas violaciones pueden resultar en acciones disciplinarias impuestas por las autoridades locales del cumplimiento de la ley, además de las de la escuela o del distrito.

Puede acceder al COSC visitando

<http://ehandbooks.dadeschools.net/polices/90/index.htm>.

Si no tiene acceso a Internet, puede presentarse en la escuela de sus hijos y solicitar revisar el Manual del Código de Conducta del Estudiante. Por favor, dedique tiempo para revisar y discutir la importancia del Código de Conducta del Estudiante con sus hijos. Después de revisar el Código de Conducta del Estudiante, usted y sus hijos deben firmar, fechar y entregar el adjunto **Formulario para Padres de Familia de Recibo y Confirmación a la escuela de sus hijos dentro de 5 jornadas escolares**.

Considero a cada padre de familia / tutor un valorado asociado de las Escuelas Públicas del Condado Miami-Dade y reconozco que usted comparte la misma meta que la de todas nuestras escuelas, la de crear un ambiente de aprendizaje seguro que promueva el éxito académico. Por esta razón, esperamos que usted comprenda la importancia de las expectativas del Distrito por el comportamiento del estudiante y las estrategias correctivas que se emplearán si se presentase una falta de conducta.

Atentamente,

Mr. Julio A. Fong, Director

Dear Parent or Guardians,

Please review Miami Dade-County's student attendance procedures for our school. To excuse a student's absence, a note must be submitted within three (3) days of the student's absence. Parents have three (3) ways to submit the note:

1. Via email to 0071attendance@dadeschools.net. Please be sure to include the student's full name, ID number, date of absence and **the reason for the absence**.
2. Via the parent portal or mobile app: a link will be available to submit notes directly to the school. Through the app, parents will be able to submit attachments and documents as well.
3. In person: Parents who wish to submit documentation in person, may do so at the school's attendance office or you may also send a note to the student's homeroom teacher.

Failure to report and explain an absence within three (3) days upon the student's return to school will result in an unexcused absence. Again, the reason for the absence must be explained.

Here are some examples of what are considered excused absences: Illness (Five (5) consecutive days or more require a doctor's note), Medical appointment, and death of immediate family member.

Family vacations, parent business trip or attendance at sporting events, sound amazing, but these are examples of unexcused absences.

Attached you will find instructions on how to submit a note via the mobile app and via the parent portal.

Sincerely,

Mr. Julio A. Fong Principal

Dear Parent(s) / Guardian(s),

Miami-Dade County Public Schools (M-DCPS) has long prioritized the health and well being of students. In accordance with the requirements set forth in Florida Statutes, Section 381.0056, Miami-Dade County Public Schools, The Florida Department of Health in Miami-Dade County, and Miami-Dade Community Partners work in collaboration to provide Basic School Health Services at your child's school.

Your child is eligible to receive basic school health services, that may include specific grade level vision, hearing, scoliosis, and body mass index (BMI) screenings. A list of basic school health services can be located at <https://cshs.dadeschools.net>. If you have any questions about the health services your child is receiving, please contact your child's school. If you DO NOT want your child to receive the basic health services offered at the school, you MUST notify the school administrator in writing. The Office of Mental Health & Student Services is responsible for notification to you of mental health services provided at your school. If you have questions, please contact your school principal.

Additional health services may be offered by the school health personnel if it is determined that your child might need additional assessments or clinical services. You will be contacted and provided with the appropriate documentation for your consent prior to the provision of these services. School health services are not a replacement for visits to your child's pediatrician or primary care doctor. Please continue to use the services of your child's doctor for primary health care. In any situation affecting the safety of a student or others, the district will continue to provide emergency healthcare services to students when necessary.

Sincerely,

Mr. Julio A. Fong, Principal, Eugenia B. Thomas K-8 Center

Estimado(s) Padre(s) de familia / Tutor(es):

Las Escuelas Públicas del Condado Miami-Dade (M-DCPS) han priorizado durante mucho tiempo la salud y el bienestar de los estudiantes. De acuerdo con los requisitos establecidos en los Estatutos de Florida (Florida Statutes), Sección 381.0056, las Escuelas Públicas del Condado Miami-Dade, el Departamento de Salud de Florida en el Condado Miami-Dade (The Florida Department of Health in Miami-Dade County) y los socios comunitarios de Miami-Dade (Miami-Dade Community Partners) laboran en colaboración para proporcionar servicios básicos de salud escolar en el centro escolar de su hijo/a.

Su hijo/a es elegible para recibir servicios básicos de salud en su escuela, los cuales pueden incluir evaluaciones de salud específicas de nivel de grado sobre la vista, la audición, escoliosis y del índice corporal máximo (Body Max Index, BMI). Puede encontrar una lista de los servicios básicos de salud de las escuelas visitando la página web <https://cshs.dadeschools.net>. Si tiene alguna pregunta sobre los servicios de salud que recibe su hijo/a, por favor, comuníquese con la escuela de su hijo/a. Si NO desea que su hijo/a reciba los servicios básicos de salud que se ofrecen en la escuela, DEBE notificar por escrito al/la directora/a de la escuela. La Oficina de Salud Mental y Servicios para Estudiantes (Office of Mental Health & Student Services) es responsable de notificarle acerca de los servicios de salud mental que se proporcionan en su escuela. Si tiene preguntas, por favor, comuníquese con el/la director/a de su escuela.

Puede que el personal de salud de la escuela ofrezca servicios de salud si se determina que su hijo/a pueda necesitar evaluaciones adicionales o servicios clínicos. Se le contactará y se le proporcionará la documentación apropiada para obtener su consentimiento antes de la prestación de dichos servicios. Los servicios de salud escolar no reemplazan las visitas al pediatra o al médico de cuidados primarios de su hijo/a. Por favor, continúen utilizando los servicios del médico de su hijo/a para la atención médica primaria. En cualquier situación que afecte la seguridad de un estudiante o de otros, el distrito continuará proporcionando servicios de atención médica de emergencia a los estudiantes cuando sea necesario.

Atentamente,

Mr. Julio A. Fong, Director, Eugenia B. Thomas K-8 Center

EUGENIA B. THOMAS K-8 CENTER

Dear Parent(s)/Guardian(s):

Miami-Dade County Public Schools (M-DCPS) has long prioritized the social, emotional and mental well-being of students. As per guidelines established by the state legislature and M-DCPS School Board Policy 2410, the district provides various mental health services to support students. In particular, the Department of Mental Health Services was established in July 2018 to enhance the coordination of school and community resources, as well as to deliver evidence-based mental health services, which includes prevention and support to our students.

School-based mental health professionals support all district K-12 schools. Our district has a number of school-based mental health professionals who are uniquely trained to support our students. These professionals include school counselors, TRUST counselors, EBD Clinicians, social workers, psychologists, Student Services Support Specialists, and Mental Health Coordinators. The district also utilizes outside resources to provide an additional layer of support. Through a referral process, this includes community agencies who offer more specialized support for students based on their specific needs.

School-based mental health professionals provide counseling and services which enhance mental wellness and support students' personal and social development as well as address barriers that impede student success.

These services include the following:

Targeted Interventions

- Individual Counseling
- Group Counseling
- Family Counseling
- Mental Health Assessment (non-emergency)
- Referrals to contracted agencies and other community mental health services, as needed

Intensive Interventions

- Individual Counseling
- Collaboration and Coordination of Services
- Wraparound Collaboration and Support
- Risk Assessments, as needed

When a school based mental health professional initiates service or there is a change in service for your child, you will be notified by school personnel at which point you can withhold consent or decline the specific service. In addition, the district will continue to provide emergency health services to students when necessary. If you have any questions about the services or support your child is receiving, please contact the school. If you have any concerns about your child's mental health, please contact the Parent Mental Health Assistance Line at (305) 995-7100.

Sincerely,

Mr. Julio Fong, Principal

Estimado(s) padre(s) de familia/tutor(es):

Las Escuelas Públicas del Condado Miami-Dade (M-DCPS) han priorizado durante mucho tiempo el bienestar social, emocional y mental de los estudiantes. De acuerdo con las normas establecidas por la legislatura estatal y la Política 2410 de la Junta Escolar de M-DCPS, el distrito proporciona varios servicios de salud mental para apoyar a los estudiantes. En particular, el Departamento de Servicios de Salud Mental (Mental Health Services) se estableció en julio de 2018 para mejorar la coordinación de los recursos escolares y comunitarios, así como para brindar servicios de salud mental basados en evidencias, los cuales incluyen la prevención y el apoyo a nuestros estudiantes.

Los profesionales de la salud mental del sistema escolar asisten a todas las escuelas del distrito desde el kindergarten hasta el 12º grado (K-12). Nuestro distrito cuenta con un equipo de profesionales de salud mental ubicados en las escuelas, los cuales están capacitados de manera única para apoyar a nuestros estudiantes. Estos profesionales incluyen consejeros escolares, consejeros de TRUST, médicos especializados en EBD, trabajadores sociales, psicólogos, especialistas en apoyo de servicios para estudiantes y coordinadores de salud mental. El distrito también utiliza recursos externos para proporcionar ayuda adicional, a través de un proceso de remisión que incluye agencias comunitarias que ofrecen un apoyo más especializado para los estudiantes, basado en sus necesidades específicas.

Los profesionales de salud mental de las escuelas brindan asesoramiento y servicios que mejoran el bienestar mental y apoyan el desarrollo personal y social de los estudiantes, al mismo tiempo que abordan las barreras que impiden el éxito de los estudiantes.

Estos servicios incluyen los siguientes: Intervenciones específicas

- Consejería individual
- Consejería de grupo
- Consejería familiar
- Evaluación de salud mental (no en casos de emergencia)
- Remisiones a agencias contratadas y otros servicios comunitarios de salud mental, según sea necesario

Intervenciones intensivas

- Consejería individual
- Colaboración y coordinación de servicios
- Colaboración y apoyo integral
- Evaluaciones de riesgos, según sea necesario

Cuando un profesional de salud mental ubicado en un centro escolar inicia el servicio o hay un cambio en el servicio para su hijo, el personal de la escuela le notificará en qué momento puede negar el consentimiento o rechazar un servicio específico. Asimismo, el Distrito continuará ofreciendo servicios de salud de emergencia a los estudiantes cuando sea necesario. Si tiene alguna pregunta sobre los servicios o el apoyo que su hijo está recibiendo, por favor, comuníquese con la escuela. Si tiene alguna inquietud sobre la salud mental de su hijo, comuníquese con la Línea de Asistencia de Salud Mental para Padres (Parent Mental Health Assistance Line) al (305) 995-7100.

Mission Statement

The mission of Eugenia B. We establish partnerships with our community that will encourage global awareness and social consciousness as we prepare our students to become world leaders.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S PARENT/STUDENT HANDBOOK

BIOGRAPHY OF MRS. EUGENIA B. THOMAS

INTRODUCTION

Ms. Eugenia B. Thomas has been honored through the naming of the Eugenia B. Thomas K-8 Center in the City of Doral, Florida. Her commitment to education, children and our community has earned her many accolades and awards but her desire and determination to improve our society and address the issues that concern our children is what truly makes her an icon in our community.

BEGINNINGS

Eugenia B. Thomas was born on November 24, 1924, in Atlanta, Georgia and came to Miami in 1929 where the Bell family adopted her. Mr. Bell was a horticulturist, and a prominent Deacon in Dade County and Sarah Bell was his wife. She attended Booker T. Washington High School where she graduated class valedictorian in 1940.

EDUCATION AND CAREER

After graduating from high school, with high achieving academic records, she attended Florida Memorial University where she also graduated with honors (Magna Cum Laude) in 1945. She then graduated from Biscayne Development Executives and Fordham School of Public Speaking. Ms. Thomas worked as a Dade County administrator and later

as a legal secretary for many years. She assisted Gwendolyn Cherry in opening the first Dade County offices of the Legal Services Department. Ms. Thomas continued to work in various departments for almost 30 years until 1966 when she retired. She was selected as the state's first African American woman president of the Florida Parent Teacher Association from 1988-1990.

FAMILY LIFE

The happiest time of her life was during her marriage to a gentleman named Lawson E. Thomas; they married on December 26, 1953. Her husband was the first African American judge in the south since Reconstruction. He was very influential in the African American community and did a lot of work during the Civil Rights Movement as a pioneer in Miami's African American community. The late Judge Lawson E. Thomas and Ms. Eugenia B. Thomas have made solid imprints in Miami's history. As an attorney, his skillful advocacy resulted in many noteworthy legal victories on behalf of his clients. He helped lead the fight to equalize salaries for black and white teachers and was instrumental in foregoing a compromise between protests and county government over the lack of Black people to serve on local juries. Judge Thomas' contribution to his community and profession is recognized daily in the Lawson E. Thomas Courthouse Center in Downtown Miami.

AWARDS

As a tribute to his parents, John Thomas, Director of Legislative Policies for the Florida League of Cities in Tallahassee, created the Lawson E. and Eugenia B. Thomas Advocacy Fund. This charitable fund will continue the family's tradition of giving, civic engagement, and community.

Code of Student Conduct

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's

off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression, and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: <http://ehandbooks.dadeschoolbtols.net/policies/90/index.htm>. If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 17 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call the Office of Community Education, at 305-817-0014.

Protocol for Addressing Parental Concerns

Parents may generally address their complaints or concerns to the school administration, which may be followed by Region and District department review as deemed appropriate. For issues involving an individual teacher or class, parent/guardian should contact the following individuals starting at the school in the order below.

Public-Private Collaboration

Requests for private instructional personnel to collaborate with public instructional personnel in the educational setting should be directed to the principal for application of District procedures.

Recess

Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

Safety and Security

- **Emergency Drills**

Six emergency drills, to include active shooter, hostage situations, bomb threats, and other potential emergencies will take place during the school year in accordance with Florida Administrative Code 6A-1.0018(15). All occupants of building where an emergency drill is held are required to participate. The first emergency drill must take place within the first 10 days of the opening of schools, whereas all remaining drills must occur at least every 45 days that school is in session. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- **Emergency Operations Plan**

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been provided the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- **Fire Drills (Evacuation Drills)**

Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm activates, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Lockdown Procedures**

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessments. Schools must establish a Threat Assessment Team comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services as applicable. Threat assessments and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

When misconduct in a class result in an assignment to SCSI, the student should be reassigned from only the class in which the misconduct occurred. Continued misconduct can result in the reassignment from all classes.

Before school begins, parents/guardians of all students eligible for bus transportation should log on the BusPlannerWeb and view the bus assignment. The information is updated nightly, and a link is provided on the parent portal. Parents/guardians are encouraged to check the BusPlannerWeb throughout the school year to obtain the most current information on their

children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Student Records

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.
