Dear Parents,

The Accelerated Reader (AR) program is designed to motivate students to read more, build vocabulary, and improve comprehension. Strong readers make strong students!

How Does It Work?

- Each student has an assigned reading level range (ZPD) based on STAR testing.
- Students select AR books they enjoy.
- After finishing, they take an AR quiz at school.
- Only 2 quizzes per day.
- Quizzes at home or in Spanish do not count for points.
- Articles, vocabulary, and literacy skills quizzes do not count.
- Scores of 85%+ show strong comprehension.

Incentives

🏆 **Monthly:** Top class per grade level bracket (K-2 and 3-5) will be recognized.

🏅 **End of Year:**

- Students who meet their quarterly goals in all 4 quarters earn an AR Medal.
- Top 3 students per grade earn 1st, 2nd, or 3rd place medals.

How Parents Can Help

- ✓ Encourage daily reading at home.
- ✓ Ask about their current book & AR goal.
- ✓ Celebrate when goals are met.
- ✓ Model reading — let your child see you reading!

📌 **Your child's AR goal:**

_____ points (Sept. 8 – May 18) to receive this medal.
